We want to take the opportunity to reach out to our customers and our community and let you know that we understand that we are living in unprecedented times. We want you to know that we're trying to stay as normal as possible but are taking steps to honor the restrictions and recommendations necessary at this time.

We will remain open as usual to service your vehicle. We are taking care to sanitize throughout the day and avoiding close contact and are using gloves while working on your car, We will do our best to disinfect your keys, steering wheels and other high contact areas in your car before you pick it up.

We are here to help and we will do what we can Please remember ALL of the small businesses during this time. They are the heart of our community and our neighbors Let's all work together to make sure our community is safe and support each other during these uncertain times.

Thank you for your continued trust in Farr Automotive. We appreciate all of our great customers and we are here to do our best to support you. Stay positive and safe.

Sincerely,

Francis, Nick, Nolan and our amazing crew at Farr Automotive Specialists.
